

**APPENDIX C  
AERIAL PHOTOGRAPHY**

**TABLE C-1  
AERIAL PHOTOGRAPHY  
NAVY AND MARINE CORPS RESERVE CENTER  
READING, PENNSYLVANIA**

Date of Photograph	Type	Approx. Percent of NMCRC Reading Covered and Scale	Observations
1951	Black & White, Stereo	100% (1" = 2000')	<p><b>Subject Property:</b> A residential driveway is shown on the site (entering the site from Kenhorst Blvd.) near the current location of the horseshoe driveway in front of Building 1. The apparent remains of a residential dwelling are visible in the southeast quadrant of the site, near the location of the current grounds keeping garage. The remainder of the site appears grass-covered.</p> <p><b>Adjacent Property:</b> Single-family residential dwellings apparent to the north and south. Large Apartment Complex visible to the east. Undeveloped land to the west.</p>
1968	Black & White, Stereo	100% (1"= 2000')	<p><b>Subject Property:</b> The site is developed with the following structures: Building 1, the Motor T garage, the grounds keeping garage, and the paint shed. The northwestern and southeastern portions of the site (presently consisting of paved parking areas) appeared undeveloped and grass-covered. The area currently developed with the Howitzer Shed appears to be a paved area.</p> <p><b>Adjacent Property:</b> Single-family residential dwellings apparent to the north and south. Large Apartment Complex visible to the east. Police Barracks to the West.</p>
1976	Black & White, Stereo	100% (1"= 6500')	<p><b>Subject Property:</b> Same as above.</p> <p><b>Adjacent Property:</b> Same as above.</p>
1981	Black & White, Stereo	100% (1"=6666')	<p><b>Subject Property:</b> Site structures not readily visible due to image scale and clarity. Northwestern and southeastern portions of the site appear to be grass-covered. Howitzer Shed not present.</p> <p><b>Adjacent Property:</b> Single-family residential dwellings apparent to the north and residences and apartments to the south. Large Apartment Complex visible to the east. Undeveloped land to the west.</p>
1999	Black & White, Stereo	100% (1"=3333')	<p><b>Subject Property:</b> Site characteristics (i.e., permanent structures, paved areas) appear consistent with present features. Howitzer shed visible in northeastern portion of site. Northwestern and southeastern portions of the site appear paved.</p> <p><b>Adjacent Property:</b> Same as above.</p>
